

# TICARDIO - THROMBO-INFLAMMATION IN CARDIOVASCULAR DISEASE

An international, interdisciplinary **JOINT DOCTORAL DEGREE PROGRAM**, as part of the Marie Skłodowska-Curie Innovative Training Networks within Horizon 2020, seeks

## 15 BIOMEDICAL DOCTORAL STUDENTS

for its research locations in **MAINZ-MAASTRICHT-MARSEILLE-DORTMUND**

### PROGRAM THEMES

- >> Thrombo-inflammation >> Multicellular interactions (endothelium, leukocytes, vessel wall)
- >> Mechanistic linkages (coagulation, platelets, signaling)
- >> Multi-omics approaches (genomics, proteomics, RNA diagnostics, biomarker validation)

### WE OFFER

- >> 36 months contract with option to prolong
- >> Cutting-edge research in an interdisciplinary environment
- >> Collaborative projects including interaction with the non-academic sector
- >> Excellent network-wide and local training conditions with conference participation

### HOW TO APPLY

Please visit [www.TICARDIO.eu](http://www.TICARDIO.eu) for information about the recruitment process.

**APPLICATION DEADLINE: MAY 31, 2019**

### REQUIREMENTS

- >> Master degree (or equivalent) in biomedical sciences or a similar field
- >> In the first four years of the research career and not hold a doctoral degree
- >> Must not have resided in the country of their recruiting institution for more than 12 months in the 3 years prior to the recruitment.

This project receives funding from the European Union's Horizon 2020 research and innovation program under the Marie Skłodowska-Curie grant agreement No 813409.
